

Built-in demo track

Guitar tablature · 6-string, Standard tuning (E A D G B e), 22 frets

Key G major · Tempo 96 BPM · Time 4/4 · Groove: Rock · Variation 1

Part: Riff, with a lead solo in bars 9-16 · Solo scale: G major and minor pentatonic mix

How to read it: each line of the staff is a string (low E at the bottom); numbers are frets; stacked numbers are power chords; x is muted.

Curved arrow with "full" = bend up a whole step. Straight line between notes = slide. Arc with h / p = hammer-on / pull-off.

Wavy line = vibrato. P.M. = palm mute.

Sheet music: treble clef, written an octave above where the guitar sounds (the standard for guitar). The tab below shows where to play each note.

Stems below the staff show rhythm: stem = quarter note, short stem = half note, open circle = whole note, one beam or flag = eighth note, two = 16th note, dot = dotted. Rests are shown in the gaps.
